HOTEL LINE

THE BIENVENUE LINE

Bienvenue is the first hotel collection that was conceived in France over 45 years ago. From the name itself, “Bienvenue” meaning “Welcome” in English, to the flower symbol, these two strong emblems embody the art of welcoming guests. This art of making one feel welcomed is rooted in the ancient practices of hospitality. Preparing to welcome someone takes thought and care. It was in this spirit that the Bienvenue amenity line was created and continues to evolve today.

A LINHA DE BIENVENUE

Há mais de 45 anos, Bienvenue nasceu em Paris, é a primeira coleção de produtos cosméticos projetados na França para a indústria hoteleira. O nome «Welcome» e o símbolo da flor incorporaram a arte da hospitalidade. Esta arte de bem receber está enraizada nas práticas hospitalidade ancestral. Preparar-se para receber uma pessoa requer reflexão e atenção. É com esse espírito que a linha de produtos hotelheiros Bienvenue foi criado e ainda está evoluindo hoje.
