*Nature on Your Skin*

Hotel Line

### **Innovation and Portuguese Science applied to Skin Health**

Founded in 2000, D'AVEIA is a leading Portuguese brand in Dermatological Cosmetics, developed to take care of the skin health of the whole family based on science, innovation and natural ingredients. Formulated with Colloidal Oats, combined with Rice and Corn, D'AVEIA enhances the soothing, protective and regenerating properties of Oats, providing a highly effective moisturising, emollient and softening action, even on the most sensitive skin.

### **The Right Choice for Hotels that Value Well-being**

With products focused on the daily care of the delicate and sensitive skin of the whole family, the brand is backed by a Portuguese dermatological cosmetics laboratory with over 25 years' experience. Specialising in the areas of hygiene and hydration, specific care for babies and children, as well as intimate care, Dermoteca, founded in 1994 by pharmacist Dr Cristina Varandas, offers scientific rigour and innovative formulas that position D'AVEIA as the best-selling Portuguese dermo-cosmetics brand in pharmacies and recognised by the medical profession.
