VINÉSIME

For the first time in its history, Burgundy offers the power and botanical richness of its legendary vineyards to the world of beauty, inventing skincare as precious as its remarkable wines.

Vinésime brings you the treasures of this exceptional region by creating exclusive skincare products derived from precious vineyards and their natural environment, rich in ingredients beneficial for the skin.

A tribute to Burgundy and beauty, the Vinésime “Le Clos” Chardonnay range reflects all of the fruity freshness of this pale yellow, slightly green-tinged wine - an invitation to sensory delight, delicately blending depth and subtlety.

Por primera vez en su historia, Borgoña traslada la fuerza y la riqueza vegetal de sus viñas legendarias al mundo de la belleza para imaginarla tan preciosa como sus extraordinarios vinos.

Vinésime le ofrece este terruño excepcional en forma de cuidados cosméticos exclusivos derivados de los tesoros de la vid y de su naturaleza, ricos en activos beneficiosos para la piel.

La gama Vinésime «Le Clos» Chardonnay, un himno a Borgoña y a la belleza, expresa toda la frescura afrutada de este vino pajizo con tonos verdes: una llamada a los sentidos, una delicada mezcla de profundidad y sutileza.
